3. The Rules and Regulations of the District provide that water users will read their own water meters and remit payments without notice, water users will read their own water meters on the first day of each month, or the earliest date thereafter, and the undersigned agrees to pay the water bill on or before the 16<sup>th</sup> day of the month that the bill is due as set forth in the District's water rate schedule. The undersigned agrees that he/she will not extend, or permit the extension of pipes for the purpose of transferring water from one property to another; nor will he/she share, resell, or sub-meter water to any other consumer. If an easement over Applicant's land is required by the District to provide service to Applicant, Applicant agrees to grant the District, at no charge and in a form acceptable to the District, a perpetual easement to allow such service. Applicants desiring water service to multiple users may do so only upon the terms and conditions as specified by the District. Violation of this or other provisions as set forth by the Water District shall be grounds for immediate discontinuance of water service.
5. If, after water service is made available, the same is discontinued or disconnected for any purpose, pursuant to the By-Laws and the Rules and Regulations of the District, reconnection shall be upon the conditions set out in the By-Laws and the Rules and Regulations of the District, including payment of any fees as assessed by the District for such service.

Representatives of the District may, at any reasonable time, come on the premises where the water is being used for the purpose of making inspection to enforce this provision. Violation of this or other provisions as set forth by the District shall be grounds for disconnection of service. The District has adopted a Water Conservation Policy. The applicant agrees to comply with such policy, as it may be amended, and further agrees that failure to comply with that policy may be cause for discontinuance of service.
7. The laws of the State of Kansas, the policies, By-Laws and the Rules and Regulations of the District, as presently existing, and as may be amended from time to time, are made a part of this agreement as though fully set out herein.
